- Mr. Himanshu Shekar Patro: Secured 97% in his Inter Final Year (BiPC), 1570 rank in EAMCET (Medical Stream). Waiting for counselling, hope to get in Osmania/Gandhi Medical college, Hyderabad
- Our most gratifying achievement for the year: Out of seven students who wrote CPT in June'14 Five students passed in first attempt (Coaching taken in-house at Vidyamitra). All of them are preparing for IPCC Nov'14

Vidyamitra does not entertain any recommendation for admissions. But during the year 13-14 we came across two students who were in the first year of degree course and were unable to pay their fee. Vidyamitra came to their rescue.
