PATIENCE & OPTIMISM

Ms. Muthswari

Ms. M. Sumathi

Ms. Durgamma

Ms. K. Sumathi

These four students completed their MPHWP course from Nellore in April 2013. Nursing Council suddenly changed their BSc (Nursing) admissions rules for MPHWP students that year. They brought in the rule that MPHWP students need to do a Bridge course.

These Four VT students suddenly became ineligible. There was no time so VT went to Court. Court allowed admissions that year without insisting on Bridge Course. All four got admissions in BSc. Nursing on merit. Thereafter NTR university put hurdles every year to accept examination fees, to declare results. Most of the time VT had to approach the Court. These four students withstood all the Uncertainties and Tensions and did extremely well in the course.

They completed BSc in Dec 2017. Results for these four students were withheld by the University. All our appeals on humanitarian grounds were ignored by them. We had to pursue the case in the High Court. Then came division of the State, shifting of A P High Court. The case lingered on. NTR university did not relent.

Hats off to these four VAAians who did not lose hope, started working on the basis of their MPHWP certificates. VT was supported by a lawyer Mr. Modali Venkata Pratap Kumar, who extended his services for all these years purely on voluntary basis, even frequently travelling to Vijayawada at his own cost to follow up this case in the A P High court.

Finally, Mr. Pratap succeeded in getting a favorable decision. These four NURSES finally got their BSc Final Results and Nursing Registration and Degree Certificates by August 2020.

Our special admiration and appreciation for these four VAAians.

Our very special thanks and expression of our deepest Gratitude to Mr. Pratap ( our Lawyer, who went out of his way, and no cost to the students or to VT) to pursue the case over so many years and saved the career for the four students.

Ms. Rajitha

Ms. Rajitha joined VT in 2008. She did her Inter from Sri Chaitanya Junior college later she discontinued her degree and on family's pressure got married. But her passion for studies fetched a job in postal department and now this year she got a permanent central Govt. job as Sorting Assistant. She is also a proud mother of three sons, studying in Kendriya Vidyalaya.

*Don't give up — Keep hope in tough times. It's tough but we'll get through it together.*

## 1. Ms. Raja Kumari, her Dedication and Passion towards service

Ms. Raja Kumari

Ms. K. Rajakumari, our Vidyamitra alumni working as a Staff Nurse at Ulvanooru PHC, Bhadradi Kothagudem Dist.

She was on duty on the day of her delivery and gave birth to a baby girl. Her dedication and passion for service is commendable and inspiring.

Vidyamitra feels proud of her and wishes her all the best.

## A Tribute to 'Corona Heroes'

Vidyamitra pays tribute to the medical fraternity on the frontline for their service and sacrifice in these unprecedented pandemic times. For months now, doctors, nurses, hospital staff and first responders around the world have been on battle footing, working long hours with limited supplies to treat those stricken with COVID-19.

We express our gratitude to the whole medical staff and healthcare professionals, who are relentlessly working to save innumerable lives amid the surmounting cases of COVID-19 being reported across the globe.

Nurses are a bridge between the health system and the community and they have been doing so ever since the nursing profession actually started. So our greatest respect and appreciation from Vidyamitra to all our nurses.
