

## VIDYAMITRA TRUST NEWSLETTER

Vidyamitra activities started in 1991, but the formal Trust was formed in 2007. From 2-3 students per year earlier, Vidyamitra is now able to take-up upto 30 students every year. The total number of students on roll at any time is expected to be limited to 200.

We plan to issue an annual newsletter to highlight the working of our trust, mainly to keep our esteemed donors informed. This is the first issue.

### SOME SUCCESS STORIES:-

1. Mr J Chandrashekar: With Vidyamitra from 1997 to 2005. Diploma in Engg. Later B.Tech from NIT Warangal. On campus selection. Works as a Software Development Engineer in LSI Research & Development, Bangalore. He has paid up whatever Vidyamitra spent on him and more. Very active in VCT activities, supports his family, especially his brother who is now in the final year of B.Tech.

2. Mrs.Premalata

Premalata with her husband & daughter

With Vidyamitra from 2001 (Start of Diploma Engg.) to 2008 (Completion of B.Tech). From about to be married to become an engineer (on VCT's Counseling her parents) is a typical success story.

Now a Software Engineer in Accenture, married (Accenture Husband), a lovely baby girl and a beautiful new flat completes the picture. More than repaid whatever VCT spent on her.

3. Ms.Divya

Unfortunately lost her father in 2005 while she was in 12<sup>th</sup> class. VCT admitted her for a Graduate Course in Aurora Degree College. VCT was keen on her going for C.A. but her family circumstances needed her to start earning. Got employed, via campus selection, in HSBC as a junior analyst and within a year got promoted as an Auditor.

4. Ms.P.Mahita & Ms.T.Dushala

Mahita & Dushala

VCT selected them in 2008 for a course in Animation (M/s.D Q Entertainment Ltd). Successfully completed and got employed as ANIMATORS in the same organization.

Both are studying further and learning other skills. A bright future awaits them.

## SOME TURNAROUND STORIES:-

1. **Mr.G.Sarat:** Lost father in 2008 while in final year of B.com. ICET score was over 50,000 and got MBA admission in a very low ranked college. At this stage he approached VCT for help.

Sarat

VCT counseled him to repeat ICET, improve rank and get MBA admission in a good college. Financial Support was guaranteed by VCT. He achieved and how? In 2009, he got an ICET rank of 4650 and is now in the 2<sup>nd</sup> year MBA in JNTU Campus college. No stopping him towards a brilliant career.

THAN TO BE A MEDIOCRE PERFORMER NOW.***

### 2. Ms. Rajeshwari :

Her father has to support a family of five from his meager salary. Ms. Rajeshwari who completed her 12<sup>th</sup> in the year 2005, had to discontinue further studies. VCT came across her in 2009 (four years after her 12<sup>th</sup>)

VCT encouraged her to resume her studies and underwrote the expenses. We are very happy that she justified our confidence in her by securing 69% in B.com first year.

**BETTER LATE THAN NEVER**

## GRADUATING THIS YEAR

### 1. Ms.Durgasai:

Durgasai

Got 89% in the second year B.Sc (Maths & Statistics) from Aurora Degree College. Hope to continue P.G.Studies in Statistics.

2. **Mr.Arjun :** Completing B.Tech (EEE) from BVRIT Engg. College by April 2011.

### 3. Ms. Sneha:

Sneha

Completing B.Sc (Nursing) from Apollo College of Nursing this year.

## SOME OTHER STUDENTS OF VCT:

Four students are lined up for admissions in B.Tech. courses now, through the ongoing EAMCET Counseling.

### Anand:

One of a very long VCT association student (from class 3 in 2001). He will complete his B.Tech by 2014 - 14 years with VCT.

### Ms.Srilatha :

Got a rank of 8030 in EAMCET and would be joining B.Tech course now.

Her three elder sisters got married soon after their school. Srilatha too would have been in line. VCT could very successfully counsel her parents to allow her to study further. Finally as per her wish, she is now poised to become an engineer.

VCT students have free access to our sister organisation "ENGLISH WORLD", which is a specialized training institute for ENGLISH COMMUNICATION SKILLS AND PERSONALITY DEVELOPMENT.

### 2009-10 PERFORMANCE REVIEW:

JNTU first B.Tech 2010 results were a mere 30%. VCT Students: -

First Year : 79% , 75%

Second Year : 81%

Third Year : 83%

B.Sc 2<sup>nd</sup> Year : 89%

All our students in B.Sc., B.Com., B.Sc(Nursing), Nursing GNM have been successful in their examinations.

### 2010 DROPOUTS (Sad but necessary)

This year six students discontinued their association with VCT. It has been our policy to suggest and guide VCT students to suitable courses in appropriate colleges with a view to get suitable employment later.

Students insisting on pursuing courses not suitable for them or pick up colleges with a very low standard of teaching, prefer to leave VCT rather than to accept our advice.

Some other students despite our close monitoring refuse to put hard work, resort to absenteeism and ultimately fail in their exams. Such students too discontinue.

VCT SUPPORT IS AVAILABLE ONLY TO THOSE STUDENTS WHO HAVE A FIRM COMMITMENT TO STRIVE HARD AND ARE DISCIPLINED. FOR ALL SUCH STUDENTS VCT SUPPORT CONTINUES UNINTERRUPTEDLY.

### VCT PLANS:

For the years to come, VCT would like to support more and more children for:-

Nursing and Medical Sciences

Agriculture and Food Sciences

Chartered Accountancy

Students with specific aptitude in Engineering and other disciplines would continue to be supported.

We intend talent-scouting among students who are in the 10<sup>th</sup> class, advise and guide them into suitable courses.
