SUCCESS STORIES

Ms. Bhavana

I am Puppala Bhavana. I joined Vidyamitra in 2017, during 2nd Year of my Intermediate course. I chose MEC in 11th grade because I loved Mathematics, but I was unsure about my future. Through the Vidyamitra Trust scholarship, I got the opportunity to pursue Chartered Accountancy (CA). With their support, I cleared the CA Foundation with an All India Rank of 40, then overcame challenges in Intermediate and Final stages.

Motivational messages from Mr. Narayan Rao sir kept me going during tough times. With persistence and multiple revisions, I finally became CA Bhavana in November 2024. Vidyamitra Trust not only supported me financially, but also shaped me mentally and emotionally. Now, I'm employed with PWC Hyderabad.

Ms. Varshitha

I'm Varshitha, I joined Vidyamitra in 2021. I am deeply grateful to Vidyamitra Trust for their unwavering support throughout my B.Tech journey. Their financial assistance eased my burdens and allowed me to focus on academics and personal growth.

Attending Trust events, especially sessions with Mr. Narayan Rao garu, provided valuable learning and motivation. I'm happy to share that I've been placed at F5 Networks with a good package.

Thank you, Vidyamitra Trust, for believing in me and showing the power of community. I carry these values with pride and hope to give back in the future.

Ms. Anusha

I am Anusha Gullapelly, a final-year student specializing in Computer Science and Engineering (Artificial Intelligence & Machine Learning) at Malla Reddy College of Engineering and Technology, Hyderabad. I joined Vidyamitra in 2023 during 2nd year of my Engineering course. I am delighted to announce that I have secured placements with both Tech Mahindra and Accenture through campus recruitment. This achievement is a testament to my dedication and perseverance, as well as the invaluable guidance provided by my faculty and the unwavering support from our placement team. I am deeply grateful to Vidyamitra Trust, that offered financial assistance throughout my academic journey—their generosity enabled me to focus wholeheartedly on my studies and pursue my ambitions. As I embark on my professional journey in the IT industry, I am excited to contribute to innovative solutions and continue learning and growing in this dynamic field.

Mr. Srinath

I'm Srinath, and my journey with Vidyamitra Trust (VT) began in 2020, during Class 10—a turning point in my life. With VT's support, I completed my studies at CMS Junior College and Badruka College of Commerce & Arts.

I'm proud to share that I've been placed as an Operations Associate-1 at NewDay India Software Development Private Limited. This achievement reflects the encouragement and belief VT has shown in me.

Special thanks to Mr. Narayana Rao Sir for his invaluable guidance, and to VT for being more than a trust—a true family and foundation for students like me.

I'm also grateful to my parents, mentors, and friends for their support. As I start this new chapter, I do so with pride and gratitude.

"Problems can become opportunities when the right people come together."

SUCCESS STORIES

Ms. Sravani

I'm Sravani. I joined Vidyamitra in 2019. Becoming a Chartered Accountant has been a defining milestone—not just for the title, but for the journey it took to get here. None of it would've been possible without the unwavering support of Vidyamitra.

Coming from a background where dreaming big felt uncertain, Vidyamitra didn't just sponsor my education—they believed in me. That belief gave me the courage to keep going, even through the toughest phases.

A special thanks to Mr. Narayan Rao Sir, whose mentorship shaped not just my academics but also my mindset and resilience. His faith in me made all the difference.

This achievement is not mine alone—it belongs to everyone who stood by me. Thank you, Vidyamitra, for being a vital part of my journey and helping me become who I am today.

Ms. Bhargavi

My name is Bhargavi. I began my journey with Vidyamitra in 2016, right after completing my 10th Standard, driven by the aspiration to become a Chartered Accountant. Although I was unable to complete my CA, I remained determined and pursued a B.Com degree, followed by an MBA at Badruka PG College. It was there that I secured a position at Newmark CRE Company—a pivotal moment in my career.

This achievement would not have been possible without the unwavering support and encouragement of Mr. Narayan Rao Sir. Their faith in me has been invaluable, and I am deeply grateful for their guidance. I also want to extend my heartfelt thanks to the VAAians, my family, and friends for their constant encouragement. I am excited to share that I look forward to continuing my association with Vidyamitra, and I am eager to give back and support others, just as I was supported on my journey.

Ms. Akhila

Before I share my journey with Vidyamitra, I would like to express my heartfelt gratitude to Mr. Narayan Rao Garu. In 2016, after completing my 10th standard, I had the privilege of meeting Lakshmi Ma'am. With her invaluable guidance, I went on to complete my Intermediate studies and earned my Bachelor of Nursing degree from Apollo College at Jubilee Hills.

Today, I am thrilled to be fulfilling my dream of working abroad. This achievement would not have been possible without the unwavering support and encouragement I received from my mentors and the Vidyamitra Trust.

Ms. Payam Padma

My name is Payam Padma, I'm from Lachigudem village, Bhadrakot Kothagudem district. Our family includes my parents, younger brother, and me. I completed my schooling in a government school and later joined APRJC, Bhadrachalam, for Intermediate. During my second year, through Vidyamitra, I was selected for further guidance, which brought me to Hyderabad. I also completed a three-month English course there.

I pursued B.Sc Nursing (2011-2014) at Apollo Hospital, Jubilee Hills, and continued working in the Operation Theatre there for nine years. Last year, through friends, I attended an interview in Kerala, cleared it, and also passed the Saudi Prometric exam in Hyderabad. I moved to Saudi Arabia in December 2024 and am currently working here. Vidyamitra has played a significant role in my journey, supporting students like me who often lack guidance and resources. Mr. Narayana Rao Sir always motivated us, checked on our situations, and celebrated festivals with us. I am truly grateful to them and to my family—especially my supportive husband—for standing by me through every challenge, including personal hardships. Their combined support has helped me come this far, and I remain deeply thankful for these opportunities.
