SUCCESS STORIES

Ms. Geetha Mounika

I am Geetha Mounika. After my intermediate in 2015, I got associated with Vidyamitra. Vidyamitra arranged English coaching classes and I improved my language skills. Later, I got B.Sc Nursing Seat in Machilipatnam govt. Hospital. This college was not good at all. Vidyamitra guided me for Second Counselling. Then I secured a seat in Apollo College of Nursing. Completed my Nursing course by 2019. Vidyamitra motivated me to appear for government examinations. I appeared for competitive examination, qualified and joined in All India institute of medical sciences (AIIMS) Bibinagar as a Nursing Officer. With this I'm now assured of a good career which would help in supporting my Parents and family.

I would remain Grateful to Vidyamitra and would put my best efforts and time to support VIDYAMITRA, forever.

Ms. Uma Devi

I'm Umadevi CA. I joined Vidyamitra Trust in 2012. At that time I was a high school girl and was very skeptically inclined student. Now (2022) I am a qualified professional (Chartered Accountant) with a strong vision.

All these years I struggled to improve in my studies and to become a strong woman who can face the society. In the process, the support, motivation and care I got from the VidyaMitra is definitely immense.

I am very thankful to the VidyaMitra for all the support I have received in building my career and for developing self esteem and become a confident & optimistic person. Now, I'm placed in Deloitte USL.

Ms. Manasa

I'm Manasa Veena B.

I started my journey with Vidyamithra in 2014 during my 2nd year of intermediate. I was provided with lot of Opportunities to get coaching for my EAMCET and guidance for admission counseling and I got into BVRIT-N. Completed my B.Tech by 2018.

Vidyamitra helped me in developing good interview & communication skills and I got Campus Placement, in TCS, thereby achieving my Goal.

I am forever grateful to Vidyamitra. I would put my best efforts to remain associated with and support VIDYAMITRA

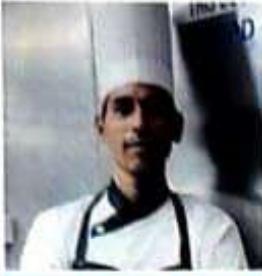

Ms. Y. Pravalli

I wrote EAMCET in 2015, secured a good rank and was waiting for counselling. Because of my family's poor financial situation we approached vidyamitra. I got MBBS seat in Gandhi Medical College, with their constant support and encouragement I was able to complete my under graduation. I passed MBBS in 2020 in first class. I did my internship from 2020-21. Now i joined in M.D. PEADIATRICS (PG) in Niloufer hospital.

Without Vidyamitra, it would have been just a dream for me. My dream got fulfilled only because of their support. I thank God and whole Vidamitra trust for making me what I am today.

"If you want to live a happy life, tie it to an ambition, not to people or things".

Mr. Nikhil

During 2008 to 2010 Vidyamitra supported Nikhil to complete his Intermediate level. Unfortunately due to family need he discontinued studies and took up employment. Vidyamitra kept in touch and helped him in development. Nikhil took up career in Hotel industry, did diploma courses in Specialized cooking from Gesto Culinary Hospitality academy, Hyderabad. He steadily grew in stature and is now a Chef in one of the very prestigious ITC Windsor Manor Hotel, Bengaluru. He is destined for much higher achievements.

Vidyamitra wishes him all success and hope that other Vidyamitra Students learn from him that unwavering pursuit of excellence would always bring in success.

DEDICATION AND COMMITMENT

Ms. Sravani and her Grand Mother

Ms Sravani, a native of Chittoor, is pursuing her GNM Final year (Nursing) from RK School of Nursing, Kakinada.

Midway through the course a stage came when she was about to discontinue her studies (Due to financial reasons)

At this stage through a Vidyamitra Alumni ,she got in touch with Vidyamitra. Vidyamitra provided needed support and now she would be a qualified Nurse by the end of this year. Now Sravini feels confident enough to plan for higher studies in Nursing. Vidyamitra would provide whatever support she would need. Vidyamitra wishes her all successes in her life.
