SUCCESS STORIES

Ms. Namratha

I'm Namratha. I joined Vidyamitra in 2012 after completing my SSC. Although I dropped out of the CA course, I pursued an MBA at Osmania University College and was subsequently placed at KPMG Global Solutions (KGS) as an Associate I. This achievement would not have been possible without the endless encouragement I received from Vidyamitra, especially from Narayan Rao sir.

I would like to thank my parents, Vidyamitra mentors, and friends for my achievements.

I will continue to be associated with Vidyamitra.

Ms. Kedara Laxmi

I'm Kedara Laxmi. I joined Kasturba Gandhi College to pursue an intermediate MEC and discovered my passion for the CA course. Principal Padma Garu helped me join the Vidyamitra Trust. Due to health issues, it took me an additional 4 to 5 years to complete my CA. During this time, Vidyamitra (Mr. G.N. Rao and Ms. S. Lakshmi) supported me, and their positivity kept me motivated.

I am now a Fund Accountant Associate at Apex Fund Services LLP in Bangalore. I feel fortunate for the support from Vidyamitra Trust and look forward to continuing my association with the Trust.

Ms. Likitha

I'm Dr. Likhittha. I joined Vidyamitra in 2013 after completing my BiPC. I earned my MBBS from JIPMER with a gold medal in Pharmacology. Currently, I am pursuing a Postgraduation in Pediatrics at Narayana Health, Bangalore. This achievement would have been impossible without the endless support I received from Vidyamitra, especially from Narayan Rao sir. He has always encouraged me to believe in myself, even during challenging times.

I would like to thank my family and Vidyamitra for my achievements. I will continue to be associated with Vidyamitra.

Ms. Afreen

I'm Afreen. I joined Vidyamitra in 2018, during my first year of Intermediate (Bi.pc). After completing my Intermediate, I enrolled in the GNM course at Indo American School of nursing. Unfortunately, I lost my father while preparing for my first year exams. Though I was devastated, Vidyamitra provided unwavering support, offering emotional guidance, academic resources and financial assistance to help me complete my diploma. Their encouragement and support were crucial in helping me stay focused and motivated during such a challenging time.

Now I am employed as a staff nurse at Indo American hospital and am taking care of my family. I wish to continue my studies further while working. I am ever grateful to Vidyamitra.

Ms. Venkatalakshmi
